

PLI-TAB[®]

HANG TABS & DISPLAY STRIPS

HANG TAB & DISPLAY STRIP 2007 PRODUCT CATALOG

PLI-TAB hang tabs and vertical display strips are your best solution for displaying products of various shapes and sizes where consumers can see them. By stimulating impulse purchases through better product positioning and by having more product available in the space allotted, you'll easily and economically increase your sales revenues. Hang tabs are also a great way to reduce waste, by allowing you to reduce the amount of packaging your product requires for hanging and display.

STYLES

DELTA (SLOT) STYLE HANG TABS
Delta style hang tabs fit single or double wire pegs and pegs with looped ends.

FOLD-UP HANG TABS
Fold-up hang tabs lie flat on the product for shipping and fold-up for hanging.

ROUND HOLE HANG TABS
Round hole hang tabs fit single wire pegs with a diameter of 7/16" and smaller.

BOTTLE-NECK HANG TABS
Bottle-neck hang tabs allow you to attach trial size product to your existing product for new product promotions.

HOOK STYLE HANG TABS
Hook style hang tabs are ideal for displaying different size products on the same peg, allowing the customer to select the correct one without removing the others.

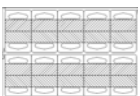

VERTICAL DISPLAY STRIPS
Vertical display strips allow you to hang product where there is limited shelf space. They are available in 6 station and 12 station formats with or without adhesive. S-hooks and j-hooks are also available.

FORMATS

ROLL FORM
Intended for high-speed, automatic application. Roll form parts can also be used for semi-automatic and manual application. Roll form hang tabs are wound on a 6 inch diameter core with an outside diameter of approximately 16 inches for optimal application efficiency.

SHEET FORM
Intended for easy manual application at the point of manufacture or in the store. Sheets are conveniently sized to fit in your hand to improve application efficiency.

PIECE FORM
Individual hang tabs are packaged loose in the carton and ideal for smaller volume manufacturing or in-store application to products.
